Ronnie Grimaldi's family tradition of coal-fired brick oven pizza began over 80 years ago when in 1933 his Great Uncle Patsy Lancieri opened one of New York City's first coal-fired brick oven pizzerias. The tradition continued when his Uncle Patsy Grimaldi opened his famous pizzeria in Brooklyn in 1990. Ronnie is excited to bring Ronnie G's Coal Oven Pizzeria to Ramsey where he continues the tradition using his family's recipes and techniques.
